

“Sree Rugveda Sree Varaahi” is a unique combination of self sustainable Farm Plots blended with Teak & Sandal Wood in clean and unpolluted surroundings. The venture is designed in serene and picturesque location from the charm and elegance of the Mother Nature with breath taking views and has great style reflected in its fine standards that surpass others. The investments in our venture will fetch with the maximum returns within a short period beyond the expectations.

PROJECT HIGHLIGHTS

- Proposed internal Roads
- Organic Vegetable Farming
- Avenue Plantation
- 24 x 7 Security
- Guest House with Kitchen Facility for Plot Owners for Holiday stay
- Barbed Fencing Boundaries
- Swimming Pool
- Children Play area

5 Lakh worth of Accidental Insurance for one year after registration
